To,

Shri Pranab Mukherjee,

Hon'ble President of India

New Delhi

Sub: Dissolution of Delhi Assembly and holding fresh elections

Respected Sir,

The Delhi Assembly was put under suspended animation in February this year. It has been almost five months now and none of the three parties represented in the state assembly namely the AAP, BJP and Congress are in a position to form the government in Delhi.

The NDA government was sworn in on May 26th 2014 at the Centre. People had very high hopes from this new government. In the last one month, however, the hopes of the people have been shattered because the prices of almost all commodities have been rising. No steps have been taken to check corruption and no steps have been taken so far which could give people a hope that things would improve in future.

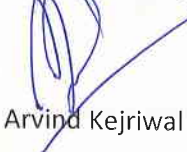

This has severely dented BJP's popularity, due to which it does not want elections in Delhi in the near future. They are afraid that if elections are held in near future, BJP would lose very badly. Therefore, BJP is making desperate attempts to poach MLAs from other parties.

In the last few days BJP has approached 15 of our MLAs, with offers of ministerial berths, properties and cash ranging from Rs 10 to Rs 20 crore. When this did not work, the BJP has now resorted to giving life threats to our MLAs. In the evening of July 1, 2014, Bandana Kumari, our MLA from Shalimar Bagh, was given a life threat. She has already filed a police complaint in this regard. We are attaching a CD with this letter which contains CCTV footage of the people who came to threaten Bandana Kumari.

Sir, you would agree that such activities of BJP are an assault on Indian Democracy and the Constitution of India. We see you as our last hope.

We would urge you to kindly save the Constitution by dissolving the Delhi Assembly and ordering fresh elections immediately to prevent an assault on the basic foundations of the country's democracy.

Yours Sincerely,

Arvind Kejriwal
