II.. CONSTRUCTION OF COMMERCIAL COMPLEXES IN NOIDA We had suggested that commercial complexes in Noida City, may be set up to cater to the requirements of Noida residents multiplying with every passing day. We had requested Noida Authority that at least six commercial complexes, having shops and space for small & petty offices, may be constructed in different parts of Noida. The accommodation may be allotted strictly to Noida residents, owning houses. flats, on an annual rental basis, The proposal shall result in **benefits both to the Noida residents in general and Noida Authority in particular as Noida Authority shall continue to get an assured source of income even** after all the lands have been sold out by them, as such a situation is likely to arise very soon. As per similar plan of MCD, Civic Centre at Minot Road, Delhi was set up for renting out shops etc We had even suggested six possible locations in Noida for this purpose.

Keeping in view the above-mentioned facts and our suggestions for assured future source of income for Noida Authority, we do hope that you will kindly reconsider the proposal for imposition of house tax burden on the residents of Noida.

We shall be most grateful for your kind urgent directions in the matter. Noida residents shall ever remain indebted to you for this act of kindness.

Thanking you with warm regards,

Yours truly,

For FEDERATION OF NOIDA RESIDENTS WELFARE ASSOCIATIONS (FONRWA)
