Dear Sir,

Reg.. **RESOLUTION OF ESSENTIAL PENDING ISSUES RELATING TO PROVISION OF CIVIC AMENITIES IN NOIDA CITY.**

At the outset we wish to express that our Member RWAs have been overjoyed on resumption of your charge as the CEO, Noida Authority and ever since then, have been quite keen and eager to have a meeting with you. We wish to extend our sincere thanks and gratefulness to you for sparing your valuable time, out of your extremely busy schedule, for our meeting today. We seek your kind intervention in resolution of the following critical and essential issues concerning Noida residents.

#### I. **MENACE OF STRAY DOGS:**

May we reiterate that the menace of stray dogs, has been getting stupendous with each passing day and hence there is an essential and critical need to tackle the alarming problem with effective and planned measures on war footing basis, as the problem is tending to become uncontrollable for all times to come. SPCA who have been entrusted the job of sterilization of dogs, have not been performing. We were informed that another agency, HSA, was being engaged to supplement the functioning of SPCA. We regret to mention that neither SPCA nor HSA has been doing any job in this regard.

**We would, therefore, like to suggest that as a long-term solution of the problem, Noida Authority may set up a Cell for Stray Animals/dogs in Noida Authority itself, since such jobs are the basic responsibility of the authority entrusted with provision of municipal & civic services., in terms of the provisions contained in Article 243Q of the Constitution of India.**

#### II. **CRITICAL NEED FOR CONSTRUCTION OF BOUNDARY WALLS:**

May we reiterate that in the absence of boundary walls around Sectors of Noida city, security of the residents of Sectors of Noida city is being adversely affected. Most of the Sectors of Noida city are unbound. **RWAs of Sectors of Noida have got installed security gates on the periphery of their Sectors, but the same are not bearing the desired results even though CCTVs have also been provided by them.** There are several openings around the Sectors wherefrom the criminals and bad elements enter the Sectors and easily escape through such openings after indulging in criminal activities. Hence there is an urgent need for construction of boundary walls.
